

Hello guys and girls!

Welcome to Dannhoff Motorsport and our Aces Events.

Due to increasingly tougher data protection regulations for online booking stores, we have decided to use the tried and tested PDF method. Your data will be transmitted very securely.

You send us an official booking request by filling out and signing the PDF file and sending it back to us by email.

After checking, usually within a week, we will contact you by email to confirm the booking request or, if there is not enough capacity, to cancel it. In the case of confirmation, a binding contract is concluded between us according to our terms and conditions, which you can find on this page.

In case of a confirmation, we will send you the invoice by email (Attention: NEW bank details), which must be paid within the following 2 weeks.

Attention: From 10 weeks before the event, the entry fee must be paid 3 bank working days after sending the invoice!

We hope to welcome you as a rider in Assen and are looking forward to a great event together!

Heidi Dannhoff
